

APPLICATION FOR OIL AND GAS WELL DRILLING AND OPERATIONS

 Oil Well Permit Gas Well Permit Combined Well Permit Pad Site Permit

Before completing application, please review attached instruction sheet

APPLICANT / OPERATOR INFORMATION

(1a) Name:		(2) Date:
(1b) Address:		
(1c) Phone Number:	(1d) Email Address:	
(3a) Name of Individual Designated to Receive Notice:		
(3b) Address:		
(3c) Phone Number:	(3d) Email Address:	
(4a) If Operator is a Corporation, state of incorporation:		
(4b) If Operator is a Partnership, provide the names and addresses of the general partners		
(4c) Partner #1 Name:		
(4d) Partner #1 Address:		
(4e) Partner #2 Name:		
(4f) Partner #2 Address:		
<i>If additional space is needed, please include in attachments</i>		

SURFACE / MINERAL OWNER INFORMATION

(5a) Surface Owner Name(s):		
(5b) Address(es):		
(5c) Phone Number(s):	(5d) Email Address(es):	
(6a) Mineral Lessee Name:		
(6b) Address:		
(6c) Phone Number:	(6d) Email Address:	
(7a) Mineral Owner Name:		
(7b) Address:		
(7c) Phone Number:	(7d) Email Address:	

FOR OFFICE USE ONLY

APPLICATION FOR OIL AND GAS WELL DRILLING AND OPERATIONS

WELL / SITE INFORMATION

(8) Proposed Well Name:

(9a) Type of Derrick to be Used:

(9b) Proposed Depth of Well:

(10a) Name of Representative with Supervisory Authority over all Oil and/or Gas Operation Site Activities:

(10b) 24-Hour Phone Number:

(11a) Name of Person to be Notified in Case of Emergency:

(11b) Address:

(11c) 24-Hour Phone Number:

(12a) Legal Description of the Lease Property to be Used for Oil and/or Gas Operation:

(12b) Parcel:

(12c) Production Unit:

(12d) *Subdivision:

(12e) *Block:

(12f) *Lot Numbers:

(12g) Name of Geologic Formation as Used by the Commission:

**if applicable*

REQUIRED ATTACHMENTS

- | | |
|---|--|
| <input type="checkbox"/> (13) Map showing proposed transportation route and road for equipment, chemicals or waste products used or produced
<input type="checkbox"/> (14) Location and description of all improvements and structures within one thousand (1,000) feet of the proposed drill site
<input type="checkbox"/> (15) Owner and address of each parcel of property within one thousand (1,000) feet of the proposed drill site
<input type="checkbox"/> (16) Copies of all reports required by the Commission, including copy of approved Railroad Commission form W-1 and/or P-4
<input type="checkbox"/> (17) Copy of the approved Commission permit to drill including attachments and survey plats applicable to the site
<input type="checkbox"/> (18) Copy of the hazardous materials management plan and all material safety data sheets (MSDSs)
<input type="checkbox"/> (19) Copy of the determination by the Texas Commission on Environmental Quality of the depth of usable quality ground water | <input type="checkbox"/> (20) Site plan

that he/she executed that instrument for the purposes and consideration therein expressed.

Given under my hand and seal of office this ____ day of _____, 2008.

Notary Public

APPLICATION FOR OIL AND GAS WELL DRILLING AND OPERATIONS INSTRUCTIONS

- (1a)-(1d) Operator/applicant name, phone number, address, and, if possible, email address; if the operator is a corporation, the state of incorporation, and if the operator is a partnership, the names and addresses of the general partners shall be provided.
- (2) The date of the application.
- (3a)-(3d) Name, phone number, address, and, if possible, email address of the individual designated to receive notice.
- (4a)-(4f) Operator/applicant name, phone number, address, and, if possible, email address; if the operator is a corporation, the state of incorporation, and if the operator is a partnership, the names and addresses of the general partners shall be provided.
- (5a)-(5d) Surface owner name(s), phone number(s), address(es), and, if possible, email address(es), of the lease property.
- (6a)-(6d) Mineral lessee name, telephone number, address, and, if possible, email address.
- (7a)-(7d) Mineral owner name, telephone number, address, and, if possible, email address.
- (8) Proposed well name.
- (9a)-(9b) The specific type of derrick to be used and the proposed depth of the well in the permit application.
- (10a)-(10b) Name of representative with supervisory authority over all oil and/or gas operation site activities and a twenty-four-hour phone number.
- (11a)-(11c) The name, address and twenty-four-hour phone number of the person to be notified in case of an emergency.
- (12a)-(12g) An accurate legal description of the lease property to be used for the oil and/or gas operation, the parcel, and the production unit and name of the geologic formation as used by the Commission. Property recorded by the plat should reference subdivision, block, and lot numbers, as applicable.
- (13) Map showing proposed transportation route and road for equipment, chemicals or waste products used or produced by the oil and/or gas operation.
- (14) Location and description of all improvements and structures within one thousand (1,000) feet of the proposed drill site.
- (15) Owner and address of each parcel of property within one thousand (1,000) feet of the proposed drill site.
- (16) Copies of all reports required by the Commission, specifically, including a copy of the approved Railroad Commission Form W-1 and/or P-4.
- (17) A copy of the approved Commission permit to drill together including attachments and survey plats that are applicable to the drill and/or operation sites.

- (18) A copy of the hazardous materials management plan as required by the City's Fire Marshal's office. In addition to the hazardous materials management plan, all material safety data sheets (MSDSs) for all hazardous materials that will be located, stored, transported, and/or temporarily used on the drilling site shall be provided to the fire marshal.
- (19) A copy of the determination by the Texas Commission on Environmental Quality of the depth of useable quality ground water.
- (20) A site plan of the proposed operation site showing the location of all improvements and equipment, including the location of the proposed well and other facilities, including, but not limited to, tanks, pipelines, compressors, separators, and storage tanks.
- (21) A tree survey prepared pursuant to Chapter 16.10, "Tree Preservation and Landscaping," Article II, "Tree Preservation," Section 16.10-7 thru Section 16.10-13.
- (22) A copy of the emergency response plan as required by the City's Fire Marshal's office.
- (23) Evidence of bond and insurance requirements under this article.
- (24) A copy of the storm water pollution prevention plan as required by the Commission, Texas Commission on Environmental Quality, and/or the United States Environmental Protection Agency. A copy of the notice of intent shall be submitted to the City of Dickinson, City Secretary seven (7) business days prior to the commencement of any onsite activity.
- (25) A signed road maintenance agreement supplied by the City of Dickinson that provides that the operator shall repair, at his or her own expense, any damage to public roads, streets, or highways caused by the use of heavy vehicles for any activity associated with the preparation, drilling, production, and operation of oil and/or gas wells.
- (26) A description of public utilities required during drilling and operation.
- (27) A description of the water source to be used during drilling.
- (28) A copy of the erosion control plan for the site.
- (29) A copy of the Noise Management Plan, prepared by a noise control engineer or other qualified person approved by the oil and gas inspector, for any equipment used in the drilling, completion, or production of a well.
- (30) All required application and well permit fees.
- (31) Every application shall be accompanied by a permit fee of seven thousand five hundred dollars (\$7,500.00).
- (32) A statement, under oath, signed by the operator, or designated representative, that the information submitted with the application is, to the best knowledge and belief of the operator or designated representative, true and correct.
