City of Dickinson Code of Ordinances

- Fires used **SOLELY** for recreational or ceremonial purposes will be considered for approval.
- Outdoor burning must not cause a nuisance condition or traffic hazard.
- Begin or continue burning only when the wind direction and other weather conditions are such that the smoke and other pollutants will not present a hazard to any public road, landing strip, or navigable water or have an adverse effect on any off-site structure.
- Fires must at least 50 feet away from any structure or property line.
- Fires are only allowed in designated fire rings/pits. Fires in the rings/pits shall not be larger than 3 feet in diameter and be no higher than 2 feet in height.
- A responsible party must be present while the burn is active and the fire is progressing
- The responsible party shall have a charged water hose and/or fire extinguisher of adequate size to suppress the fire present at the burn site at all times.
- Following the burn, all isolated residual fires or smoldering objects must be completely extinguished before leaving the burn site.
- On order of the Fire Marshal, Police Officer or Fire Department representative, the fire will be extinguished immediately by the applicant.
- This permit shall automatically become void thirty days from issuance.
- The Fire Marshal reserves the right to revoke this permit at any time.

I the undersigned applicant hereby request a Permit for Recreational Outdoor Burning Permit from the City of Dickinson. By signing below I acknowledge receipt of the above regulations and agree to abide by them.

This permit in no way grants the applicant permission to conduct outdoor burning in any way other than described and does not eliminate requirements of other agencies including Galveston County and the Texas Natural Resource Conservation Commission.

Failure to comply with the above regulations may result in the issuance of citations.
