By making application for a permit for temporary use of a tent, I the undersigned acknowledge the following regulations regarding the operation of the tent:

- Permit is valid for one tent or air supported structure.
- Permit is valid only for the address and described location specified on the application.
- Tents in excess of 15,000 square feet shall be located not less than 50 feet from any other tent.
- An unobstructed fire road shall be maintained not less than 12 feet wide on all sides of the tent.
- Tents shall be adequately roped, braced and anchored to withstand the elements of weather against collapsing.
- A certificate executed by an acceptable testing laboratory certifying that the tent, decorative materials and tarpaulins meet the requirements for flame resistance indentified in NFPA 701.
- Aisles shall be clearly marked, illuminated and remain open at all times.
- One approved 2-A type extinguisher shall be provided in every tent having a floor area over 500 square feet. One additional approved 2-A type extinguisher shall be provided for each additional 2,000 square feet.
- Smoking shall not be permitted an NO SMOKING signs shall be conspicuously posted.
- Tent permits shall be valid for the dates indicated on the permit and shall in no case be valid for more than 30 consecutive days.
- The TENT PERMIT issued by the Fire Code Official shall be posted at all times.
