Homicide Investigation

Dickinson Police Department was called to the 3900 block of Victoria in reference to a death. Officers arrived and found the body of 54 year old Sandra Finnegan inside her residence.

Family members had not seen Finnegan for the last several days and arrived at the residence to check on her. The family members found the door to the residence partially ajar and then located Finnegan's body. Evidence at the scene indicates the death was suspicious.

Dickinson PD Detectives are currently on the scene, along with Galveston County Sheriff Department ID Division and representatives of the Galveston County District Attorney Office. Galveston County Medical Examiners Office has been contacted and is in route.

Detectives are currently working this case as a homicide.
