On, Sunday morning, July 29, 2007, just after midnight, the Dickinson Police Department responded to the 2300 block of FM 517 in reference to a male subject on the ground and bleeding from the head.

Officers were notified by a passing motorist of the injured subject and found the 41 year old victim on the ground in the parking lot of Pilgrims Cleaners, located at the intersection of FM 517 and Termini.

The victim was unresponsive to officers and medical personnel at the scene and was transported to Herman Hospital by Lifelight helicopter. The victim has since been released from the hospital and has returned home. The victim suffered a severe injury to the back of his head from an unknown object.

Detectives believe the victim was confronted in the Pilgrims Cleaners parking lot by three to four males, possibly in their twenties, who were riding in a dark colored Suburban style vehicle. The driver of the vehicle is possibly a white male with curly blonde hair. The victim was riding a motorcycle which was found at the scene with him.

Detectives are asking anyone who may have information about this crime to contact Detective Tim Cromie at 281-337-6359 or tcromie@ci.dickinson.tx.us.
