Wanted Person – Juan Telesforo Ramos

Sexual Assault of a Child

The Dickinson Police Department is asking for assistance in locating Juan Telesforo Ramos, 20 year old Dickinson resident.

Ramos is charged with sexual assault of a child. Ramos was charged after a two week investigation. Last year, Ramos befriended a fifteen year old female friend. Ramos, who had dropped out of school, began picking the girl up from school and bringing her to his home, where the two had sex on numerous occasions. The female victim became pregnant and when Ramos was informed about the pregnancy, he stopped all communications with the female victim.

Ramos originally cooperated with detectives during the investigation and gave a statement to detectives. Ramos was contacted and advised of the warrant, but has now disappeared. Detectives have made several attempts to contact Ramos at his last known residence without success. Detectives have also gone to Ramos' last place of employment, where he has not shown up for work since the arrest warrant was issued.

Anyone knowing where Juan Telesforo Ramos can be located is asked to call the Dickinson Police Department at 281-337-4700, or Crime Stoppers at 281-614-0687.
