The Dickinson Police Department was contacted earlier this date by the Louisiana Department of Justice requesting assistance in locating a fugitive from justice. Alton Paul, 45 year old male, was wanted on felony warrants charging him with misrepresentation concerning workers compensation and theft. Louisiana authorities indicated Paul was a Katrina evacuee and had moved into the Dickinson area after the hurricane. Dickinson Police tracked Paul to his residence in the 3300 block of Hughes Road and he was arrested without incident. Paul was charged locally as being a fugitive from justice and is awaiting transfer to the Galveston County Jail on a \$10,000.00 bond. No bond has been set for the felony charges from Louisiana and authorities there are awaiting clearance for extradition.
